

## INSURANCE THAT WORKS AS HARD AS YOU DO

Whether you're a handyman juggling odd jobs or a large industrial builder, a new landscaping venture or an established construction company, your vehicles can be integral to your operation. Keep them running strong with commercial insurance that works as hard as you do—delivering the full coverage you need and the round-the-clock service you deserve.

“ Progressive made it easy to have business coverage on our work van. While we have not had to make a claim, we feel confident that Progressive will take care of any claims fairly and smoothly. Our agent recommended Progressive, based on our situation, and that recommendation meant a lot to us. ”

## Save money no matter what you drive

Vans, pick-ups, dump trucks, SUVs. We'll help you get coverage for all these vehicles and more at a rate that respects your bottom line. And we'll save you extra cash with discounts designed for budget-conscious business owners—including savings for multiple years in business, maintaining a commercial driver's license (CDL), paying in full, and more.

Plus, you'll find it easier to balance your monthly expenses with our variety of payment plans, such as convenient installment options, low initial payments and six-month policies. And for your convenience, all payments can be made online or by phone with check, credit card, money order and automatic withdrawal (EFT).

## Keep your whole crew covered

We'll cover all the members of your hardworking crew, from new hires to seasonal staff to veteran drivers and more. And whether you depend on one vehicle—or a garage full—to get the job done, your commercial policy can help keep you in business.

Consider a commercial policy if you need coverage for:

- » Ownership types such as partnerships, corporations or sole proprietors with DBA
- » Employees to drive your business vehicles
- » Up to 20 vehicles—we'll cover them on one policy
- » Higher limits than you can get with a personal auto policy—we offer up to \$1 million combined single limit
- » The pick-up or delivery of goods or people
- » Unlimited visits to job sites

## Key coverages for commercial customers

From rental reimbursement to temporary vehicle coverage to roadside assistance, your local agent will help you create a customized commercial policy to suit all your business needs. And with our broad acceptance of drivers, we'll help you get coverage for all your employees—even the temporary ones.

## DID YOU KNOW?

In the U.S., nearly 86 percent of all businesses in the construction industry are operated with a crew of fewer than 10 employees—and 78 percent rely on fewer than five\*. We're one of the few commercial insurance companies that will accept businesses of this size—or new start-up businesses—making us a great fit for a wide array of small, contractor-type companies.
